Savannah Auction Preview

A SNEAK PEEK

by Laura Carpenter, Co-Chairman of the FASA Auction

Contributions to the 2002 Folk Art Society of America Benefit Folk Art Auction are coming in at a record-breaking pace. This year's event promises to be both exciting and different. A few of the items we've received for the auction are pictured here, but please view the more complete listing on the Folk Art Society's Web site, *www.folkart.org*. This information will be updated frequently as we get closer to the date of the Savannah conference, October 3–6.

To donate to the auction, please contact Laura Carpenter by telephone at 1-800-FOLKART or by e-mail at *folkart@hargray.com*. If shipping by UPS, please send packages to America, Oh, Yes!, 17 Pope Avenue, Executive Park Drive, #4, Hilton Head Island, SC 29928. We thank all the donors for their generosity and will acknowledge all gifts in the next issue of *Folk Art Messenger*. [Photographs by Dean Carpenter, unless noted.]
